TESTIMONIALS

From previous exchange participants

Carla Deiana

Konjeniško društvo Ranč Seleren (Horse Ranch), Slovenia

“During this internship I learned about handling horses, feeding, cleaning and riding. This experience changed my perception of horses, opened my horizon and allowed me to test myself in a new environment.”

Vere

Exchange to Indonesia

“Going on an IAAS internship to Indonesia meant crying twice for me: when I arrived, because of the jetlag and being homesick the first day, and when I had to go home again. All the time in between were moments of joy, happiness and great friendships.”

Yentel

Huma Chocolate in Ecuador

“I’ve learned the whole process of chocolate, from bean to bar in Huma Chocolate. During my free time I stayed at my host family who showed me the most beautiful spots of Ecuador, the coast, amazon rain forest, the equator, famous buildings and gave me the most delicious traditional food to eat. Thank you!”
