The background of the image is a close-up, high-angle shot of water ripples. The ripples are concentric and spread out from a central point, creating a series of light and dark blue bands. The lighting is soft, highlighting the texture of the water's surface. The overall color palette is various shades of blue, from light sky blue to deep navy blue.

Ik weef jou

Ik weef de tranen in mijn leven
ik weef de trots in alle dagen
ik weef de pijn in zachte strengen
ik weef jou, in alle lagen

Wie je was, wie je zult blijven
hoe je kijkt en hoe je lacht
wat je gaf en wat ik leerde
weven zal ik, alles wat je bracht

Ik weef het missen, en het dragen
ik weef de liefde die is gebleven
ik weef jou met zorg & aandacht
in alle draden van mijn leven
