PRESENTATION

https://www.ugent.be/we/en/education/internationalrelations

The screenshot shows a web browser window with the URL `ugent.be/we/en/education/internationalrelations`. The browser's address bar and tabs are visible at the top. The page header features the Ghent University logo on the left and the Faculty of Sciences logo on the right, along with a search bar and links for "Log in" and "Nederlandse homepage". A navigation menu below the header includes "Education", "Research", "Services", "About the faculty", "Contact", and "Information for". A breadcrumb trail reads "Home UGent > Faculty of Sciences > Education > International Relations". The main heading is "International relations". Below this, there are four blue rectangular buttons arranged in a 2x2 grid: "Master Degree Student", "Exchange Student", "Phd Student", and "Doctoral Schools". A teal circular callout bubble with a lock icon and the text "Welcome Day" is positioned over the "Exchange Student" button. A grey back arrow button is located to the left of the grid.

STUDY GUIDE

Master of Science in Biology

The Master in Biology has a far-reaching impact on numerous areas within science and society. The research domain of biology itself is very broad, and covers the entire spectrum of life, its diversity and its formation at all the different organisation levels, ranging from a cell and ecosystem to the level of the biosphere.

ACADEMIC CALENDAR 2024-2025

EXAMINATIONS

At the end of each semester

A course must be completed before an exam can take place

Examinations can be oral or written.

For examinations you failed (<10/20) during one of the examination sessions: resit examination session

Check UFORA (UGent e-mail account) for your examination schedule and changes

- Exam schedules are available in an electronic way
- 1st exam session by 24 November 2024
- 2nd exam session by 21 March 2025
- Retake exam session by 16 July 2025

The examination schedule has to be followed strict! Only the following exceptions can be allowed:

- Absence based on good cause (e.g. illness proven by medical certificate)
- Contact the professor and check the specific rules with your programme co-ordinator !!

Exchange students who have more exams at the same time (Contact the professor + international.sci@UGent.be)

RESULTS AND FEEDBACK

The results will be available on OASIS: <http://Oasis.UGent.be>

Feedback and access to your exam copy is possible after each examination session.

FRAUD

Board of Examiners will be informed to decide on possible sanctions (e.g. mark “FRAUD” in your TOR)

Plagiarism = a form of fraud!

The UGent uses anti-plagiarism software

GRADING SYSTEM: LOCAL MARK + ECTS MARK
